PUBLIC NOTICE OF AN APPLICATION FOR AN EXTENSION OF ITS CERTIFICATE OF CONVENIENCE AND NECESSITY BY CAVE CREEK WATER CO.

Cave Creek Water Co. ("CCWC") has filed with the Arizona Corporation Commission ("Commission") an application for authority to extend its Certificate of Convenience and Necessity to provide water service. If the application is granted, CCWC would be the exclusive provider of water service to the proposed area. CCWC will be required by the Commission to provide this service under the rates and charges and terms and conditions established by the Commission. The granting of the application would not necessarily prohibit an individual from providing service to themselves from individually owned facilities on their property. The application is available for inspection during regular business hours at the offices of the Commission in Phoenix at 1200 West Washington Street, and at CCWC, Post Office Box 448, Cave Creek, Arizona, 85327.

The Commission will hold a hearing on this matter. If you are a property owner in the existing certificated area, or customer in the existing area, you may be entitled to intervene in the proceeding. If you do want to intervene, you may appear at the hearing and make a statement on your own behalf. You may contact the Commission at the address and telephone number listed below for the date and time of the hearing and for more information on intervention. You may not receive any further notice of the proceeding unless requested by you.

If you have any questions or concerns about this application or have any objections to its approval, or wish to make a statement in support of it, you may contact the Consumer Services Section of the Commission at 1200 West Washington Street, Phoenix, Arizona, 85007 or call 1-800-222-7000.
